

# NOVEMBER 30

## SBDC BUSINESS ADVISING

### Meet with a SBDC Advisor

Our Certified Business Advisors and Trade Specialists assist owners and managers with in-depth confidential and **no-cost assistance** designed to address every aspect of your business management and operation. In association with the Grant County Economic Development Council.

**MARKETING PLANS** A workable marketing plan is essential for the success of your product or service. SBDC advisors will help you establish a **practical plan that you can implement to drive customers to your business.**

**PLAN FOR GROWTH** We can review your **business plan**, analyze your **financial statements**, suggest **cost cutting strategies**, and explore **new markets** such as exporting and much more.
